**Pilgrim Song**

We are pilgrims on the way
Come and join us
We are pilgrims on the way
Seeking wholeness

Father bless us as we go
Whether fast or whether slow
We are pilgrims on the way
Come and join us

We are pilgrims on the way
Come and join us
We are pilgrims on the way
Seeking oneness

Father bless us as we go
Give us strength to let things go
We are pilgrims on the way
Come and join us
